ABOUT UNITED FLOWERS

From the sunflower to the Saudi kitchen.

من زهرة دوار الشمس إلى المطبخ السعودي

United Flowers was founded in Jeddah to make vegetable oils and fats that families and bakers can trust. From our factory in Jeddah Industrial City we refine, fill and pack a full range of cooking oils, ghee and margarine, sold under our own brands and made to order as private label.

Our factory is equipped with modern technology and run by an experienced team that follows all health regulations and strict quality standards, for consumers and industrial customers across Saudi Arabia, the MENA region and the Levant.

MISSION

To keep adding value to society through healthy products, in quality, price and delivery.

VISION

A strong, trusted identity producing healthy oils and fats across the MENA region.

VALUES

Honesty · Quality & hygiene
· Hard work · Respect for people and partners.
